CIRQUE DU SOLEIL®

KOOZA™ OVERVIEW

KOOZA had its world premiere in April 2007 in Montreal and has played in approximately **47 cities** in **12 countries** on **3 different continents** to more than **4 million people**.

OPENS FEBRUARY 15, 2019

UNDER THE BIG TOP AT ALEXANDRA PARK,
EPSOM, AUCKLAND

KOOZA tells the story of The Innocent, a melancholy loner in search of his place in the world. KOOZA is a return to the origins of Cirque du Soleil: It combines two circus traditions - **acrobatic performance** and **the art of clowning**. The show highlights the physical demands of human performance in all its splendor and fragility, presented in a colorful mélange that emphasizes bold slapstick humor.

Between strength and fragility, laughter and smiles, turmoil and harmony, KOOZA explores themes of fear, identity, recognition and power.

The show is set in an electrifying and exotic visual world full of surprises, thrills, chills, audacity and total involvement.

“Thrilling wonder and delight, and several of the acts are among the most sensational ever seen at *Cirque du Soleil*.”

The Daily Telegraph - London
